

Regarding the 「HIGASHIURA CHIKI CLUB」

The activity for Reiwa 6 Nendo will start on April 13 (Sat)!

※Starting date differs depends on the club.

◆What is [Higashiura Chiiki Club] ?◆

- Apart from the extracurricular activities held at schools in junior high school, this is a new type of club run by the Board of Education and led by local community members, separate from the club activities held at schools.
- Due to the declining birthrate, the number of opportunities to explore one's interests and possibilities through school district activities (club activities) alone is decreasing, so we are launching this club as a place where people can try new things or continue the activities they usually do.
- Those who apply can freely participate in any club, so you can become familiar with a variety of activities.
- When emphasizing making club activities accessible to everyone, to meet the wide range of needs of our members we aim to expand more our activities
