◎**The consent of the person is required upon taking the vaccine.**

When taking a vaccine, please make sure that you have an accurate knowledge about both effect of preventing infectious disease and the risk of side reactions and then decide if you will take the vaccination based on your own will. Vaccine will not be given without the consent of the recipient.

We must not force people in the working place or those people around us to get vaccinated or discriminate people who have not been vaccinated.

◎Regarding the vaccination other than the place (address) where the residents registration is located.

• For person admitted in the hospital, in the middle of admission in the hospital or facility who will take the vaccination.

→ Please make a consultation at the medical institution or facility.

• For person who will take the vaccination at the medical institution where you are treated for underlying disease.

→ Please make a consultation at the medical institution.

• For person whose resides different from the place of residence → In some cases, you may be able to receive the vaccine in your area.

Please check the homepage of the municipality where you actually live or contact the consultation desk.

◎Even after the vaccination, please wear a mask to continue the prevention measures.

The COVID-19 Vaccine has been shown to be highly effective in preventing the development of the new COVID-19 infections, but its effectiveness is not 100 percent. It is also affected by mutations in the virus.

For this reason, we ask you to continue to take preventive measures against infection. Specifically, please do the [3 dense [by wearing a mask, washing your hands with soap and disinfect your hands by using an alcohol.]

We are asking to continue to take preventive measures.						
	crowd area	close contact	closed space	Wear a mask	Washing hands with soap	Disinfect the hands by using an alcohol

[Avoid 3dense (crowded area, close contact, closed place). .

For detailed information on the effectiveness and safety of COVID-19, please visit the Ministry of Health Labor and Welfare website [Shingata Korona Wakuchin ni tsuite].
