

The background of the entire page is a photograph of a water treatment facility. In the upper portion, there are large, grey, cylindrical pipes supported by metal brackets. The pipes have blue Japanese characters and the number '300' written on them. In the lower portion, a large, circular concrete water tank is visible, with a metal staircase leading up to its top edge. The sky is blue with some white clouds. The entire image is overlaid with several decorative, flowing blue lines that curve across the frame.
