

Higashiura Town Elementary / Junior High School

To all Parents/Guardians,

Higashiura Town Board of Education

Superintendent: Shouji Tooru

(Official Seal Omitted)

2026(令和8)年度の学校給食費について

REGARDING THE 2026 (REIWA 8) SCHOOL MEAL FEE

Thank you for your continued understanding and cooperation regarding the school lunches in Higashiura Town. Starting in April, as a national policy, a fundamental measure to reduce the financial burden of school meal fees at public elementary schools will begin. For junior high school fees as well, prior to the national policy, the town will provide subsidies based on the same concept as for elementary schools, thereby reducing the financial burden on parents/guardians.

The amount of school meal fees (ingredients cost) to be burden by parents/guardians for the next school year is planned as shown below.

We will continue to make every effort to provide safe and secure school meals and we appreciate your understanding.

DETAILS

1. SCHOOL MEAL FEES AND PARENT / GUARDIAN BURDEN FOR 2026 (REIWA 8 (COST PER MEAL))

	Meal fee	Amount that parents will burden.	Remarks
ELEMENTARY SCHOOL	¥300	¥0	Effectively free due to national / prefectural and town subsidies.
JUNIOR HIGH SCHOOL	¥350	¥330	Town subsidy is ¥20.

2. OTHERS:

- The national policy is support for local governments to assist child-rearing through reducing the burden of school meal fees (ingredients costs).
- Due to continued price increases, revisions to school meal fee during the school year may be considered. However, any increase resulting from such revisions will be fully covered by the town.
- These matters will be proposed at the Higashiura Town Council regular meeting in March of Reiwa 8 (2026).
- From a food loss prevention perspective , if a student will be absent due to “LARCATION” or other reasons, please inform the school in advance.
