NOTICE ON REVISION OF SCHOOL LUNCH FEES

Thank you very much for your understanding and cooperation regarding the school lunches in Higashiura Town.

Higashiura Town has been working to keep school lunch costs down through various efforts such as efficient management and resource savings. However, due to the recent rise in prices, the cost of staple foods and milk has increased significantly. As a result, maintaining the variety of ingredients and nutritional balance has become difficult under the current situation.

Therefore, although this is unfortunate, starting October,2025 (Reiwa 7), the school lunch fee will be revised. We appreciate your understanding and cooperation so that we can continue to provide safe and secure school lunches.

DETAILS**1. REVISION DATE:** 2025, October (Reiwa 7)**2. REVISED AMOUNTS:**

Junior High School	¥330	¥350	¥20

3. OTHERS:
